The Jazz Gallery has put in place strict protocols to keep the space sanitized and as free of contagion as possible. We require that you adhere to these protocols for your safety and the safety of others in the space. The following are non-negotiable requirements:

1. Wear a mask or suitable face covering (plastic gloves and shields are also available).
2. Have your temperature checked.
3. Use hand sanitizer before and after using the restroom.
4. Adhere to social distancing guidelines of 6ft from anyone (other than your companion).

By signing this document you agree to follow the above protocols. You also agree to hold harmless the Management, Staff, Board of Directors of The Jazz Gallery as well as the musicians who are performing at The Jazz Gallery and will not seek recourse (costs, expenses, damages and fees that may directly or indirectly incur) should you contract or allege to have contracted the Coronavirus either knowingly or unknowingly at The Jazz Gallery.
